UX Designer focused on creating smooth, user-friendly digital experiences. Skilled in user research, organizing information, and interaction design.

WORK EXPERIENCES

Web Designer | Analyst   **2024 May – 2025 January**

Personiv

- I create and maintain custom websites using Duda.co, ensuring they are optimized and updated. I communicate with clients through email on Salesforce CRM to understand their needs and requirements. The software I use includes Salesforce CRM, Duda.co, Adobe Photoshop, Adobe Illustrator, Microsoft tools, and Designer's Google extension.

Web Designer | Analyst   **Part-time**

Freelance

- Experienced in web design using Duda.co, I specialize in creating responsive and visually appealing websites. With a strong focus on user experience, I build custom websites that are both functional and easy to navigate, ensuring a seamless digital presence for clients. My expertise in Duda.co allows me to deliver optimized, user-centered designs efficiently.
